

Local Grievance # _____

Issue Statements - (Block #15 of PS Form 8190):

1. Did Management violate Section 141.1 of the M-39 Handbook via Article 19 of the National Agreement when they improperly planned/implemented route adjustments in the **[Station/Post Office]** and if so, what should the remedy be?
2. Did Management violate 242.122 of the M-39 Handbook via Article 19 of the National Agreement when they failed to adjust routes in the **[Station/Post Office]** to as near to 8 hours daily as possible and if so, what should the remedy be?

Union Facts and Contentions (Block #17 on PS Form 8190):

Facts:

1. Minor route adjustments were made on a unit wide basis in the **[Station/Post Office]**. This is documented by the PS Forms 1840 Reverse included in the case file.
2. The minor route adjustments were implemented in the **[Station/Post Office]** on **[date]**.
3. NALC Branch **[number]** officials were not notified about the minor route adjustments until **[date]**. This is documented by a statement from the branch president included in the case file.
4. Section 141.17 of the M-39 Handbook states in relevant part:

“Prior to making any minor adjustments on a unit wide basis, management must notify the local union as far in advance as possible...”
5. The last mail count and inspection of the routes at the **[Station/Post Office]** was conducted on **[date]** thru **[date]** and implemented on **[date]**.
6. Route(s) **[route number(s)]** are no longer served by the same letter carriers as during the time of the last mail count and inspection. This is documented with the PS Forms 1840 from the last mail count and inspection and the current route base information report.
7. Section 242.122 of the M-39 Handbook states in relevant part:

“The proper adjustment of carrier routes means an equitable and feasible division of the work among all of the carrier routes assigned to the office. All regular routes should consist of as nearly 8 hours daily work as possible.”

8. Section 141.17 of the M-39 Handbook states in relevant part:

“Prior to making any minor adjustment on a unit wide basis, management must notify the local union as far in advance as possible. Any proposed adjustments must be placed in effect within 45 calendar days after the end of the adjustment consultation with the carriers involved...”

Contentions:

1. Management violated Section 141.17 of the M-39 Handbook by failing to notify the local union as far in advance as possible about the planned unit wide minor route adjustments in the **[Station/Post Office]**. The union contends management was aware of their intent to conduct minor route adjustments in the **[Station/Post Office]** as early as **[date]** when they **[explain]**.
2. Management violated Section 141.19 of the M-39 Handbook by not using reasonably current mail count and inspection data for route(s) **[route number(s)]**.
3. Management violated Section 141.19 of the M-39 Handbook when they adjusted route(s) **[route number(s)]** using the a minor adjustment process because different letter carrier(s) are assigned to this/these route(s) as compared to the previous mail count and inspection.
4. Management violated Section 242.122 of the M-39 Handbook when route(s) **[route number(s)]** were not adjusted to consist of as nearly 8 hours daily work as possible following the minor adjustment.
5. Management violated Section 141.17 of the M-39 Handbook when they failed to properly conduct adjustment consultations with the carriers at the **[Station/Post Office]**. The union contends simply informing the carrier of the changes is not a proper consultation, but rather it must be an opportunity for the carrier to offer meaningful input in time to influence the final adjustment.
6. Management violated Sections 141.113 and 141.116 of the M-39 Handbook when they failed to ensure the results of the applicable procedures outlined in these sections were fully implemented and enforced prior to implementing a minor route adjustment.

Remedy (Block #19 on PS Form 8190):

1. Management cease and desist future violations of Section 141.1 of the M-39 Handbook.
2. All the routes at the **[Station/Post Office]** be returned to the status they were in prior to the minor route adjustments. In the event this request is not deemed appropriate, instruct management to adjust all routes in the **[Station/Post Office]** to as near 8 hours per day as possible.
3. Each letter carrier assigned to the **[Station/Post Office]** be paid \$25.00 per calendar day beginning **[date]** and continuing each calendar day until such time as # 2 above is accomplished, or whatever remedy the Step B DRT or an Arbitrator deems appropriate.
